# CEEP

One of three SOCIAL PARTNERS  
recognised by the EU COMMISSION

- The European association representing
  - Enterprises and employers's organisations with public participation, and
  - Enterprises carrying out activities of general economic interest, whatever their legal ownership or status

# CEEP

## TOURISM PLATFORM

- The Platform is a CEEP committee
- Strengthening Services of General Economic Interest
- Giving Input in the European Social Dialog
- Making sustainable Development Real

# CEEP Objectives

- To promote the culture of sustainable tourism at local level; exchange of experiences, links back home informations etc.
- Lobby activities towards towards EU policy which affects tourism, especially local public stakeholders.

# Shared Values

- Sustainable development
  - Social
  - Environmental
  - Economic
- SGI local dimension of tourism
  - Knowledge
  - Benchmarking
  - Private Public Partnership

# How we work

- Common opinions with Partners to give more strength to policy papers
- Invitations and participation at big events
- Common meetings with EU institutions
- Invitation to seminars
- Invitation to steering committee meetings

# Who can be a member of this network

- Anyone who shares our values
- Every new member should be "appointed" by a CEEP member

THANK YOU
