

4th EUROMEETING

European Regions, Tourism and Sustainable Development

Friday, 5 November 2004 - Florence, Italy
Convitto della Calza Oltrarno Meeting Center

The Region of Tuscany and the Committee of the Regions, in collaboration with the United Nations Environment Programme and the Assembly of European Regions, offer this opportunity to discuss:

- ▶ the European Constitution and new opportunities for tourism
- ▶ political and financial outlooks for tourism in the enlarged Union
- ▶ the creation of a network of stakeholders and drivers to support sustainable tourism development
- ▶ tourism for growth and employment: experiences and expectations of selected European Regions
- ▶ tourism as an instrument of poverty reduction
- ▶ how to link supply and demand for sustainable tourism
