# Synergies with TSSP

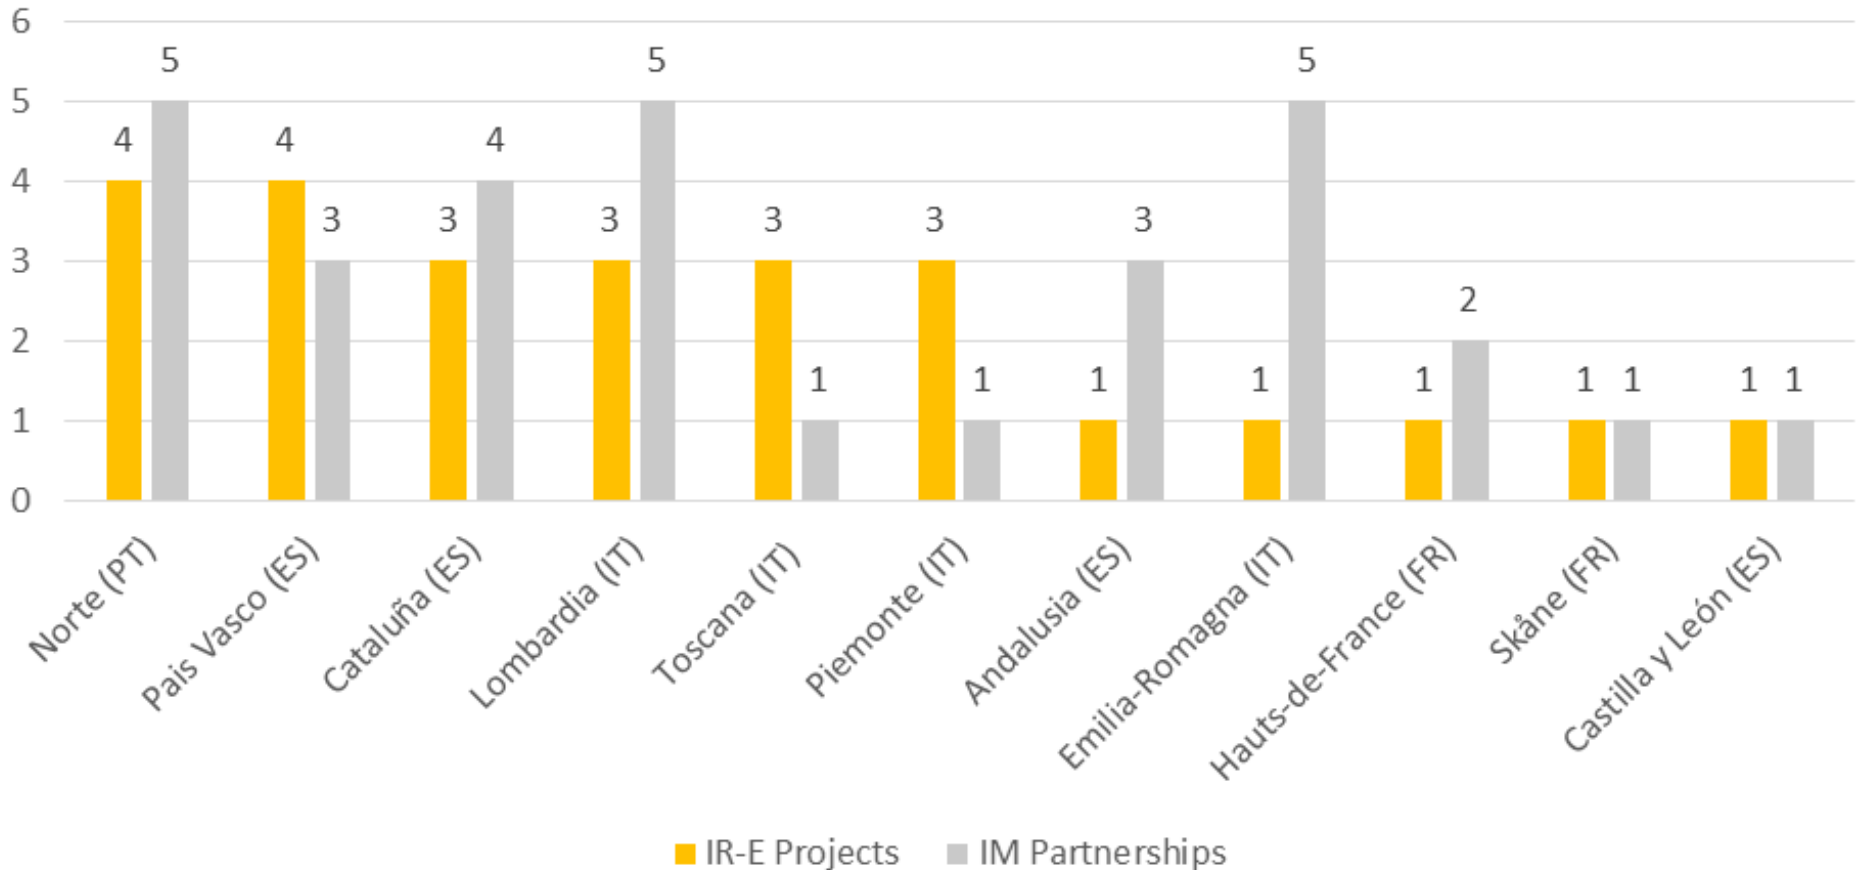

Common points between IR-E projects and TSSP:

- Similar objective & target groups:  
IR-E projects: preparation for strategic investment (*first stage of 'investment pipeline'?*)  
Focus on regional development, policy makers and stakeholders
- TSSP can enrich projects scope and activities
- Possible pilot actions in projects: evidence of success for co-investment?

## Discover Projects

Enter the world of interregional cooperation projects. Explore the policy learning and change taking place in each of the four themes.

The results will take you to individual project websites, maintained and updated by the project partnership directly. You can discover the policies each partner is working on, find out more about the partnership, follow the evolution of the exchange of experience and keep up with project news and events.

You can find a full list of the projects to export in CSV at the end of this page.
