

HORTICULTURE NETWORK

Lieve Prins (Province of South-Holland, NL)

Marga Vintges (Greenport West-Holland, NL)

What is horticulture?

- ALL plantproduction, except potatoes and cereals
- Fruit
- Vegetables
- Herbs
- Flowers
- Bulbs
- Olives
- Grapes/Wines
- Ornamental plants
- Seeds

Why a network?

Network of regions and/or clusters active in horticulture

Goals:

- Projectpartners
- Lobby
- Business-to-business

Networking in NEFERTITI

- Horizon 2020 project
- Livestock, arable and horticulture
- Demofarms: farmers learn from other farmers
- Network of regions with the same agricultural sector

Do you want a demofarm in your region? Let me know!

Parallel workshop: 11.00-1.00 (Sala 5)

- Opening speech
- Introduction by every partner
- Presentation of the network structure (region-cluster) by Marga Vintges
- Discussion: how to connect horticulture in Europe?
