

Competent authorities in the Member States dealing with issues linked to the implementation of EU rules on waste shipments and the COVID 19 crisis

This overview provides specific contact details of authorities in Member States dealing with issues linked to the implementation of EU rules on waste shipments and the COVID 19 crisis. This list has been established on the basis of information provided by the Member States. It will be complemented and updated as further information becomes available.

This specific list comes as a complement to the list of Competent Authorities under Article 53 of Regulation (EC) No 1013/2006 of the European Parliament and of the Council of 14 June 2006 on shipments of waste, which can also be consulted [here](#).
